### 50th ANNIVERSARY EXHIBITION & CELEBRATION

QAS 'painted' a wonderful picture of 50 years of its history with many founding members and early committee persons reliving our history and the successes at the 50th Exhibition Celebration. The years have seen the development of this community group and how it has grown into one of the NSW's most vibrant Art Societies with an Art Competition/Exhibition every month featuring an average 120 works. The strength of the Society is of course its members but today's artists are full of gratitude to the founding members who lit the original fire. One of QAS early members was **Meg Minty** and she stated 'The art starts on the banks of the Queanbeyan River and flows past the Australian National Gallery'!

QAS introduced another innovation at the 50th Anniversary Exhibition presentation when successful members accepted their award.

#### THINK ABOUT SPONSORING?

MEMBERS are pleased with the monthly Art Competition/Exhibition the committee is pleased with the members support on average 120 works each month and 17 awards. To compare this with a large Art Centre offering once a year \$3,000 plus in a major prize not getting 50 works entered proves we must be on the right track. QAS does not have a large sponsorship base and we have to manage the running of the Gallery and the committee must tread lightly. If we can increase our sponsorship we can enlarge awards for our members and keep the house (gallery) in order.

**Please think about being a sponsor know matter how small!**

#### BRING AND BUY

MEMBERS please start 'stacking' any of your art materials you have no use for to bring them to the QAS Bring And Buy day on **Sunday 8th October 2017**. It is going to be a big day with the 50th QAS Anniversary Presentation Opening a display of the QAS History. Please contact Committee member **Karen Hall** re Bring and Buy. **0438010710** [steelol@tpg.com](mailto:steelol@tpg.com)

#### PRESIDENT'S PALETTE

I am particularly proud to be part of a wonderful Queanbeyan community group that has grown from such humble beginnings to become one of the most exciting Art Societies in the State of NSW. The Society 'founding members' sowed the seeds that every committee followed the farrows that has seen our Art Society blossom into what it has become today. It was wonderful to see so many early members return for the special 50th Anniversary Celebration. They took pride in talking about the early days and delighted to see what our Art Society has become. I am pleased the way our present QAS Committee worked feverishly to pull the QAS 50th Anniversary Celebration together, well done to all.

Members are reminded that the 2018 QAS Calendar is being 'pulled' together so if members want to make sure they have a painting in it please contact me or send me an image of the painting you want to go

into the calendar.

Yours in Art,  
**Barry Cranston**  
President

## WORKSHOPS

John Wilson—[www.johnwilsongallery.com](http://www.johnwilsongallery.com)

Aug 12/13. John's motivation for painting is his great love of his native land and an engrossed observation of its beauty. John's workshops are for those who have mastered the basics and wish to move onto new levels. The weekend covers tone, temp, colour mixing, composition, atmosphere, reflected light, reflections and other subtleties of the Australian landscape.

Roe Gartlemann —AUA (Arts & Edn) Hons; Dip. Teaching(Art); FRSASA,

Nov 18/19 Acrylics/Mixed Media

This workshop is for intermediate to advanced painters wishing to extend their skills by working outside their comfort zone. We will be combining more than one medium in our work with an emphasis on design, colour and composition. Where possible I like participants to work directly from a subject. If this is not possible the way to approach working from photos will be explored.."
