QPRC ART EXHIBITION OUTSTANDING

THE 2020 Queanbeyan Palerang Regional Council Art Competition/Exhibition was described by judge **Naomi Zovwer** as one of the most difficult Art Exhibition she has ever judged. "The quality of the work in five different categories surprised me and having 120 works to view kept me on my toes. With such a variety of works I continually had to go over the paintings to get a definite decision. It was a pleasure to judge this Exhibition and I never realised that the QAS had such a strong hold over regional art. I congratulate them on delivering these quality exhibitions every month. I thoroughly enjoy working with the Society and I hope I will be invited back for judging future exhibitions", Naomi said.

This work stood out to me. It made me think about our connection to the environment and childhood memories. It is also quirky and a bit different.

TEXTILE ART A SUCCESS IN QAS GALLERY

THE ACT Textile Arts Association have just bumped out after a very successful exhibition and Bazaar at the Queanbeyan Arts Society. It was a perfect venue for the display of individual art works by the members. Many of our artists made work during the COVID lockdown responding to the title **'Textiles with a Twist'**. The work encompassed crafts such as embroidery, fashion, dyeing, felting and work with paper and wool. The opening by the **President Carol Cooke** reflected on the title of the Exhibition. She thought about yarn, a textile fibre. Her simple observation was that it was made with a twist. The spinning gives the yarn its ply and therefore its strength. These works of art started with this title in mind but she felt the title reflected the members as much as the work. Because they had proven to be strong and resilient women. The distractions of COVID did not stop the members making beautiful works but also making sure this exhibition happened. It is hoped that a long term relationship with the QAS will be formed with more exhibitions and market days to come. Thanks you to all the QAS team who helped and to all the people who came to visit and made such votive comments about the work.

Carol Cooke, President ACT Textile Arts Association

PRESIDENT'S PALETTE

CONGRATULATIONS to the ACT TEXTILE ARTS ASSOCIATION

for presenting such a professional Art Exhibition and Bazaar in the QAS Gallery last month.

The art was so exciting with media different to our usual QAS artworks in our Gallery. I am proud the Society showed great initiative to welcome another art-form to be exhibited at the QAS Gallery!

It was a good idea to have the QAS Miniatures / Small Exhibition in the two front rooms at the same time. This Exhibition saw 150 works hung and was full of quality - plus the sales have been good.

It is pleasing to see the number of art sales even with the present lockdown. Well done to all. For those members who are on **facebook etc**, please advertise all our Exhibitions. It helps spread our Art Society! Thanks to all members who supported the QPRC Exhibition.

Yours in Art,
Barry Cranston

QAS MEMBER IN EUROBODALLA RIVER ART FESTIVAL

THE Eurobodalla River of Art Festival ran for two weeks and provided artists with more than 100 venues from Durras to Bermagui to exhibit their artwork and to share their passion and creativity with locals and tourists. Many of the venues combined music, food and creative arts to provide a totally immersive experience.

QAS and CABBI member **Andrew Smith** was invited to paint onsite at the Bodalla Dairy Shed as part of the festivities. The organisers of this event were the Nature Coast Marine Group. The theme was promoting the protection and understanding of the coastal environment. Andrew admits this was challenging, especially when he was asked by the organiser to paint an underwater subject.

After some research, Andrew decided to paint the endangered Weedy Sea Dragon using his "Sculpting with Paint" techniques. Applying thick textured paint with a variety of tools including sea weed, Andrew entertained onlookers throughout the day. A number of local musicians, including **Sacred Cow** played folk music and the Bodalla Dairy ice cream artisans unveiled their new marine environment inspired ice cream flavour, Kelp and Finger Lime - a must try flavour combination.

Other CABBI all weather artists completed water colour, Lino-cut prints and acrylic paintings at the Bodalla Dairy shed. CABBI also had its Mogo Gallery open and a pop up gallery in Batemans Bay and many of its members opened up their studios.

All up the River of Art was a great success and allowed artists to emerge from their Covid lockdown and display their new artwork.

BECOME A \$3 GALLERY PAINTER

MEMBERS should consider becoming a QAS Gallery painter as it has several advantages. You can paint at the Gallery (new Working Gallery) any day you wish for only **\$3** per day and **entries to several monthly exhibitions are only \$5 per painting.**

Every month there is a **\$50** Gallery Painters Award.

NEW FLOOR FOR QAS GALLERY

THE QAS committee will be considering doing a full new coverage of the Gallery floors.

The present vinyl tiles have been down since the late 60's and are looking on the used side. Members are asked to forward any suggestions of what type of floor and colour would be a good idea. Please remember our walls are presently white but a different colour (cream etc) that would complement a new floor covering would be considered. Perhaps the present concrete floors could be sanded and polished. Is there any professional advice the Society could get? **< Note the vinyl tiles lifting in photo.**

QAS ZOOMS INTO ANOTHER ART

THE QAS ventured into the art of streaming on Zoom for the Queanbeyan Palarang Regional Council Art Competition/Exhibition opening. Over thirty joined the stream and it was well put together by member **Nyree Mason**

and all the winners were able to speak to their paintings. This is another way to communicate and we are lucky to have members who can pull it together and are keen to do so.

For those members who may not be sure how to 'do zoom' please contact our secretary.

These 'rough' shots have been taken off the computer screen but I hope it helps tell the story.
