## QAS WELCOMES GRANT

### BUILDING upgrades to improve safety and accessibility.

The Queanbeyan Art Society (QAS) has received a Regional Communities Development Fund grant for \$71,250 to undertake upgrading of its current facilities.

**Member for Monaro Nichole Overall** said the grant would assist with improvements to the gallery that would allow more people to enjoy the various spaces available and to display their works. "The Queanbeyan Art Society is an active and vibrant society with a long-standing arts heritage spanning more than half a century," Mrs Overall said. "It has been the centre of art in Queanbeyan for about 55 years and offers artistic, educational and social experiences for members and the wider community." The Queanbeyan Art Society building is more than 100 years old and is located at the gateway of the city's central business district. The proposed works include electrical, security and building upgrades that will improve the accessibility and safety of the centre.

## QAS TO GET A DEFIBRILLATOR

**THE QAS** is to get a Defibrillator after a welcome \$1,000 donation by Baker Deane & Nutt by **Bill Baker** who presented the winners at the opening of the BDN Art Exhibition 'Copy A Master'.

Adamantly on hearing about the need for a defibrillator Bill had no hesitation in telling QAS Secretary **Pam Nielson** his firm would be delighted to make a donation. The QAS Committee is keen to have a portable defibrillator with us in the field when Plein Air groups paint away from the gallery. Several members have put their hands up to donate towards this idea, so if other members wish to contribute please contact the secretary.

### OVERALL 1st MARK REDZIC

This painting has a pervading presence. It captures the theme beautifully; a perfect blend of human and nature's spirit co-existing in a sustainable way, while the subtle and judicious use of colour moves the eye across the canvas. Strong control of composition and execution of medium, space and light. The Guardian speaks to us - Eyes, Clothes, Hands and Being.

### "Guardian Well Station"

### Overall 2nd: LANDCARE AWARD—

### ANNETTE RENNIE "Mother Nature's Help"

Bright lights, dynamic composition, contrasting colour all contribute to the sense of a land carer in action. The grass moves, the guards haphazard, counter the solid, well-anchored stance of the carer. Good control of space, movement and colour.

## WONDERFUL FRIENDS OF QAS LEAVING

**O**UR long time friends of the Riverbank Cafe have sold out and are moving north. Elaine and Brent have been friends of QAS for twelve years and many members have received a discount plus wonderful friendship. The society gave them flowers and a painting of their choice. **Good luck and thanks for everything!**

## PRESIDENT'S PALETTE

**T**HE big news this month has come from **Nichole Overall MP Member For Monaro** who advised a Government Grant for 'Improvement to the Security, Safety, Comfort and Amenity' for QAS. What a wonderful **\$1,000** donation by Baker Deane & Nutt towards QAS getting a Defibrillator and we are raffling and getting more donations from members. News this month of **Elaine and Brent** selling out and moving north came as a shock. Their friendship has been valued by many members and we wish them well for the future! With all the disruptions with schools I would hope our members and friends

would make the effort to get our Young Artist Art Competition/Exhibition in October 2022 to as many schools and young artists as possible.

## 2022 QAS WORKSHOPS

**QAS** Workshop Co-ordinator, Andrew Smith, has assembled an exciting program of art workshops for 2022.

After two years of Covid cancellations Andrew has negotiated to bring back many of the postponed workshops from 2021 and added some popular workshop tutors to run extra workshops. When Andrew cancelled last year's workshops, he advised those who were booked and paid that they would be given priority access to the rescheduled workshops in 2022. This was considered fair given the circumstances of the cancellations were outside the control of the registered participants and in most cases they had purchased their workshop materials. Hence, those courses marked (RESERVED) are not open to all members in the first instance, they are reserved for 2021 members registered on those workshops for a 2 week period until 17 December. Following that date an announcement of any vacancies will be made to all members and general bookings will be opened.

## WORKSHOP PROGRAM

**9-10 July 2022 - Charles Sluga - Mixing it up in Watercolours (RESERVED until 17 December)** The workshop will cost \$220

**13-14 August 2022 - Leigh Walker - Acrylics, A Journey Through the Layers (RESERVED until 17 December)** The workshop will cost \$180

**20-21 August 2022 - Leigh Walker - Acrylics, A Journey Through the Layers.** This workshop is open for booking but dates are only tentative as they are subject to sufficient registrations. This workshop will cost \$180

**15-16 October 2022 - Julie Ballis - Portraits (any medium)** -This is a new workshop and open for registrations. The workshop will only run from 1 pm to 4.30 pm on each day and the workshop will cost \$90

To register for Workshops that are not reserved, send Andrew an [email andrewsmith@grapevine.net.au](mailto:andrewsmith@grapevine.net.au) and nominate which workshop you are interested in attending.

For reserved workshops, if you were registered in 2021, send **Andrew Smith** an [email](mailto:andrewsmith@grapevine.net.au)

[andrewsmith@grapevine.net.au](mailto:andrewsmith@grapevine.net.au) confirming that you would like to attend on the new scheduled 2022 dates.

QAS Workshops continue to be a highlight in the Calendar each month. In June we had the energetic and enthusiastic **Leigh Walker** as our Tutor as we learnt how to have fun with our art journals. Leigh had us all challenged with quick no fuss exercises designed to evoke the art senses to create simple masterpieces. We tried a dozen techniques during the weekend with meditative music drawing, Japanese paper cutting, watercolours, oil pastels, collaging and doodling.

## OIL PAINTING CLASSES (for adult students)

**H**i QAS members,

I have commenced giving oil painting classes in my studio in Ngunnawal, ACT, and am seeking interested students. As I am only starting out, I am limiting classes to 4 students per class and I will only be charging **\$30 per class (2 – 2 ½ hour class)**.

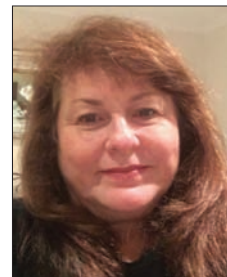

There will be two classes per week to choose from, one on Saturday, mid-morning, and another during the week (day yet to be decided), also mid-morning. These classes will be suitable for beginners who have a little bit of experience in painting (ie. have attended a workshop, or painted a couple of paintings) through to intermediate level. These classes would also suit students who may be taking classes elsewhere and would like to experience a different viewpoint on developing their work.

Classes are ongoing. Each class will study one subject (eg. still life setting) over 4 to 5 weeks, commencing with a drawing and a tonal charcoal study and transferring this to canvas, through to painting the picture and understanding how to apply the different layers and then finalising the painting with glazes, highlights and accents. Once the class has finished the subject, we will decide by consensus what the next subject will be (eg. Floral study, pet portrait etc.) and we will repeat the process again over a further 4-5 weeks. This repetitive process Phone Helen

**0416 246 706**

will reinforce how to put together a painting and classes will include discussion and teaching on drawing techniques, tonal studies, composition, oil painting techniques, colour mixing, edges, focal point(s), use of mediums through to varnishing.

If you would like to view my work, please visit [https://www.instagram.com/helen\\_marx\\_artist](https://www.instagram.com/helen_marx_artist). My background includes, having studied at the Julian Ashton School of Fine Art, undertaken 20 different Australian workshops, 3 international workshops and a range of online studies.

## MARKET DAY AT QAS GALLERY

**O**N behalf of ACTTAA I would like to thank you for your assistance in making our Market Day happen. We are very grateful to you and the staff at QAS for assisting us with keys and set up both on the day and during the week prior.

The venue is great for our purposes. The only thing you didn't do was turn on better weather!! But you are forgiven this time!

Can you please forward to me or to our treasurer – [jenny.white@gmail.com](mailto:jenny.white@gmail.com)

We will see you again for our exhibition from the **11th to 23rd September 2022**.

We will need to know if we can have access to the front room and /or the room behind on the right. We could certainly fill one or both of these spaces. The area at the front on the left looks good with its revamp so it will be put to good use.

Thanks again Regards **Sue Chapman – Vice President ACTTAA**

## QAS MEMBER HANS VAN HAALEN

**My** main subject area are landscapes.

I have studied under Julian Bruere, former Victorian Artist of the Year and Helen Burrows, botanical artist in 2014 & 2015 in Melbourne.

I have attended ASOC 5 day workshops in 2016 and 2019, learning from Leonie Norton, Chan Dissanayake, as well as Barry and Lucy McCann.

I also completed a 2 day workshop with renowned Melbourne watercolourist, Herman Pekel in 2021 and more recently a 3 day workshop with Ev Hales.

For the past 5 years I have been part of a Creative Drawing group led by Tim Hardy at the M16 Art Space in Kingston.

I'm a member of ASOC, QAS and GDAS.

I am passionate about the environment and travel and this features strongly in my work.

Many of my larger acrylic works are inspired by the magnificent eucalyptus trees of our National Parks. These are mainly done using palette knives.

I have exhibited since 2015 in both group and solo shows, my most recent was a successful joint exhibition with my partner Lesley Burrows at our new home gallery, Largo.

I have received a few awards - 2nd prize for watercolour in the 2017 ASOC Spring Exhibition, a Highly Commended for Watercolour in the 2018 ASOC Exhibition and 1st prize overall in the Marulan Kite Festival Art Show in 2019.

My works now hang in homes in USA, Melbourne, Sydney, Canberra, Albury, Aireys Inlet (Vic), Bendigo, Merimbula.

### MEMBER WINS USA LANDSCAPE AWARD

ONE of QAS members, **Caroline Reid**, has had a great success recently winning a prize for abstract landscapes in the Boldbrush painting competition. [<https://faso.com/boldbrush/winner/296275>] Caroline is honoured to have been awarded the prize by the judge Kathleen Dunphy - well-known USA landscape artist. 'This was such a delightful surprise!', she said.

Her painting is titled 'Seges', which is Latin for 'crop'. It was inspired by a trip out during COVID lockdowns to the Harden canola area. The painting has a double horizon - one for the actual sky line, and the other for the imaginary soil world below the surface of the crop, feeding the plants with nutrients and warmth.

Caroline won \$1000 USD, plus some free advertising and a feature article in Informed Collector. She is going to put the prize money towards a trip to Venice in October for a residency at La Storta.

**Caroline Reid.**

### A MEMBERS PROFILE

I don't consider myself to be a serious artist.

I am just someone who likes to paint on the kitchen table with all the comforts of home nearby. I often have my iTunes music playing and do a spot of cooking or housework in between brushstrokes. If there is a good song on, you will probably catch me dancing and singing along. I like multitasking for sure.

For me, painting is another one of my hobbies, but something that I have done over many years. I do enjoy it though, and sometimes marvel at the results when a painting starts out as one thing and ends up as something completely different. The process can be scary, disappointing, frustrating, but also rewarding and amazing.

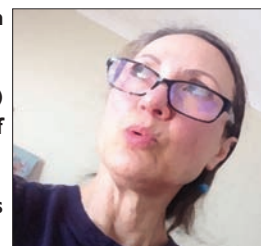

I did the usual art studies at school and as one of my previous jobs, I was an illustrator for the Army for 10 years creating mostly computer generated art and doing some photography, calligraphy, some painting and illustrations.

Prior to joining the QAS I painted a bit here and there, submitting a yearly entry in the "Q" Exhibition and giving some paintings to friends. Since joining the QAS however, with so many opportunities to exhibit, I am painting a lot more. Tell me about it.

My favourite subjects are birds (magpies of course – our little family of magpies are a great inspiration) and I also enjoy painting flowers, leaves and other flora. I absolutely love the seeming endless ranges of colours, patterns and textures in nature.

For this exhibition, I have mainly played around with an assortment of black and white magpie images and thrown in a few other works for the heck of it.

Cheers **Maria O'Donahoo.**

### GARDEN AND CARDS

#### Front Garden

Thank you to all those who have been maintaining the back garden and who have offered to help with the gardening work when needed. The back area is currently looking fabulous. Our front garden, however, needs to be re-vamped. The original design is that of a painting pallet but that design either needs to be bought back to the original concept with weeding and new plantings of bright colours or a new design needs to be done. The biggest problem is that people use the garden as a shortcut to the cafe and the pallet design doesn't allow for this, so anything planted is likely to be trampled. As the best gallery in the area and chokka full of very creative artists, I think we are capable of doing something superb at the front - something that would make people stand back and take notice. Would you like to see the original pallet design remain and be properly planted with a variety of colours and some solution arrived at to stop the foot traffic, or would you like to take this opportunity to come up with a new design (perhaps even a competition to design it?). Would you like it as purely a garden or should we incorporate something arty or sculptural. One suggestion already suggested is a square border high enough to deter stepping over (to represent a picture frame) with plants inside making up a picture. Or perhaps where the people walk could be turned (somehow) into a path that looks like paint brushes? The committee would welcome your feedback asap so that we can start to improve the front area of the gallery which, especially at the moment, is looking very drab. So please, pop on your artistic and/or gardening thinking caps and send me your comments, ideas or suggestions to [heather@hollogram.net](mailto:heather@hollogram.net) and help us to make that front garden something people want to photograph or paint rather than trample upon.

#### Art Cards

The committee is looking at selling art cards in the gallery. If you make or intend to make art cards and want to sell them there, please contact me by 15 July so we can get an idea of how many people are interested in taking part. We have 2 card stands we can use and how many cards you may have on the stands will depend upon how many people wish to participate. How sales will be processed/recorded, any commission etc. is being worked out (as we do not want to impose extra bookwork on our already hardworking Treasurer) and I will initially be responsible for setting things up and monitoring it. Please advise if you wish to sell individual cards or packs of cards and what price you would normally sell them for (without commission).
