**ART IS FUN**

'Art Is Fun' and it should be so come on everyone just give it a go.

Can you write? Then you can draw, watercolour, pastel, pencil, oil, acrylic or even a stencil draw it. Dash or splash, throw it, flow it, drape or scrape. Modern, abstract, real and imagined new, printed or even old fashioned canvas, paper wood or way. Come on every body, I know you can do it.

Just give it a go...

**NEW LIGHTING FOR GALLERY**

THE QAS have gratefully received a grant from the NSW Government.

As you know the lighting will be upgraded along with other improvements. Some of you have given very positive recommendations for the right lighting for QAS. We have a QPRC electrician to do the work, he did Rusten House Arts. We need to know your specific, product, and Brand recommendations of the lights, tracks, lighting colour (day, white etc) and switching and placements. The committee are chasing the full range of initiatives for QAS, as well as the admin for the whole grant project. We are unable to give best attention to the lighting, not do we have the specific knowledge of the uses you have suggested. To make full advantage of the grant we need many hands at work. Together we can make a huge difference to the gallery amenity and look forward to your research suggestions Re the lighting.

**PRESIDENT'S PALETTE**

IT has been a pleasure having the ACT Textile Arts Association hold its

**Hanging by a Thread Exhibition & Bazaar** at the QAS Gallery. This event has attracted new visitations to our Gallery. We were able to hold a new **On The Fence Art Exhibition** at the Gallery for our members over this period and it has been very successful. Normally we would be going to the QAS **Canberra City Walk, Outdoor Art Show** but it was cancelled. A big thank you to all our willing helpers for this month we have very willing members to step forward when required, again thank you! I will be looking to the committee to consider making

more hanging space in the Working Gallery.

The idea would be to have mess on the wall like in the  
main gallery and another exhibition  
could hang.

## QAS WORKSHOPS

**QAS Workshop Co-ordinator, Andrew Smith, has assembled an exciting program of art workshops for 2022.**

After two years of Covid cancellations Andrew has negotiated to bring back many of the postponed workshops from 2021 and added some popular workshop tutors to run extra workshops. When Andrew cancelled last year's workshops, he advised those who were booked and paid that they would be given priority access to the rescheduled workshops in 2022. This was considered fair given the circumstances of the cancellations were outside the control of the registered participants and in most cases they had purchased their workshop materials. Hence, those courses marked (RESERVED) are not open to all members in the first instance, they are reserved for 2021 members registered on those workshops for a 2 week period until 17 December. Following that date an announcement of any vacancies will be made to all members and general bookings will be opened.

## WORKSHOP PROGRAM

**15-16 October 2022 - Julie Ballis - Portraits (any medium)** -This is a new workshop and open for registrations. The workshop will only run from 1 pm to 4.30 pm on each day and the workshop will cost \$90

**To register** for Workshops that are not reserved, send Andrew an email [andrewsmith@grapevine.net.au](mailto:andrewsmith@grapevine.net.au) and nominate which workshop you are interested in attending. **For reserved workshops, if you were registered in 2021, send Andrew Smith an email [andrewsmith@grapevine.net.au](mailto:andrewsmith@grapevine.net.au) confirming that you would like to attend on the new scheduled 2022 dates.**

## ANNE THURECHT A LIFE DREAM

**L**IVING in Canberra I am fortunate to be able to enjoy and draw inspiration from my surroundings.

Vibrant Autumn and Spring and quite extreme Summer and Winter are inspiring.

I live in close proximity to the snow fields and the coast. We are surrounded by mountains, rivers, forests, farmland and more. Although I have mainly been painting in watercolours of late, I am also a keen acrylic painter, dabble in pastels, oils, and ink, but I guess there is no medium I won't try.

A couple of years after leaving school I enrolled in a Commercial Art course, but it was not long before I started a family and put the course aside for good. Over the years since then I learned China Painting with **June Wenker** and Fine Art lessons with **Trish Bridges**, both from Canberra.

As long as I can remember I have always tried hard to make beautiful art.

As a child I had very little in the way of materials.

There was not often paper without lines so I would have to resort to drawing in the margins of books or the first and last pages of books. Another problem I encountered was not having decent materials. If I came across a good pencil, I would guard it with my life.

I have always had this love, interest, admiration of every type of art and have dabbled in different materials and subjects. Just in the last couple of years I have gained more time which I claim as my own.

I now have time to dedicate to creating again and am putting my energy into resuming my journey of a life's long dream.
