ANOTHER SUCCESSFUL JOHN WILSON WORKSHOP

SUCCESSFUL Oil Painting Workshop with Renowned Artist John Wilson at Queanbeyan Art Society

The Queanbeyan Art Society recently hosted two highly successful oil painting workshops with the renowned artist John Wilson. The workshops included a two-day and a five-day master class, with participants eager to learn from one of Australia's most accomplished artists and tutors.

During the workshops, participants painted a range of stunning landscapes from the Ulladulla Headland looking towards Mollymook, two scenes from the Capertee Valley and the Cotter River at Casuarina Sands during an en Plein Air Day. John Wilson provided participants with valuable insights and techniques for painting landscapes in oils, including tips on colour mixing, brushwork, composition and atmospheric perspective. John is also a great story teller and he recounted stories of painting with some of Australia's great landscape artists while he was learning to paint. The workshops were attended by new members from Sydney and Melbourne, highlighting the growing reputation of the Queanbeyan Art Society as a hub for artists from around the country. The society is committed to promoting and supporting the arts in the Queanbeyan region and beyond, and workshops like these are a testament to their dedication and passion.

A big thank you goes to the nine QAS volunteers who catered for all the needs of the participants during the workshops. Their assistance was essential to ensure that participants could focus entirely on their craft of painting. Special thanks go to Gayle, who worked tirelessly for five days, and John Bossler, who brought morning tea out to Casuarina Sands. Also a big thank you to Annette who cleaned the gallery immediately before we started and as we finished ensuring the QAS Gallery was in tip top shape for the weekend's exhibition opening.

During the workshop we tested out the new technology providing uninterrupted views of John's demonstrations. We will continue to develop this technology to further enhance participants experience at the workshops. John Wilson is a highly respected artist with a wealth of experience and knowledge to share. He has exhibited his work extensively throughout Australia and internationally, and his work is held in private collections worldwide. His workshops provide a unique opportunity for participants to learn from one of the country's most accomplished landscape painters. By popular demand, we have also agreed to run a second Yupo Workshop with Maxine Sumner on 21 May and there are a few vacancies for this workshop.

Contact Andrew Smith quickly if you would like to secure a place in QAS Workshops.

And if you have a passion for oil painting and landscape art, be sure to keep an eye out for the next workshop with John Wilson – an opportunity not to be missed!

The QAS Workshops are covered with five TV's in three Working Gallies.

RAFFLE WIN FOR MEMBER

JUST thought QAS members would like to see that I've have the wonderful seascape painted by **John Wilson**, that I won in the Christmas raffle, framed. It takes pride of place on our family room wall. By far the best raffle prize I've ever won.

Best Regards **Stuart Wiscombe**

**THANKS MEMBERS**

HERE was never a bigger entry day workload at QAS than this last Saturday 25th March. Entry day was outside, with a downpour at 8am, but luckily the rain held off after 9.30am. The drizzle saw us reorganise some plans for the intake. Maria, Dennis, Julie, Sue, Leigh and Rosanna were out the back on the veranda, sorting and labelling artworks, with amazing Leigh photographing your artworks in the natural light. Belinda, Heather and John inside with the paperwork, numbering and receipting. 124 entries for this exhibition, thanks to members not all those came in on Saturday, but all had to be processed, numbered and photographed. **A HUGE effort.** **John Wilson** could go on tutoring inside and the participants getting into their learning and painting. While QAS work went on quietly around the workshop.

What a team...

**PRESIDENT'S PALETTE**

THE John Wilson Oil Workshop once again proved a huge success over

the five days and most pleasing to see the five TV's being used in the three working gallery's. On behalf of the Society I would like to thank John for his donation of the demo painting for us to raffle.

We gained three new members from John's Workshop from East Lynn and Castlemaine Vic. Well done to all those members who put their shoulders behind the wheel on Intake Day, it was a great effort considering a major workshop took up 80% of the Gallery. What a delight it was to have member **Geoff Naylor** step up and be one of our Guest Speakers. Geoff as we know is a very good artist from Tumut but another skill he has is fly fishing. He is an Australian Representative at Fly Fishing and Geoff said, "Fly Fishing is an art just like painting".

Kay Lenehan enlightened us about the QAS Life Drawing

Classes. Thanks to all the members that keep

supporting the QAS
monthly exhibitions!

Yours in Art,
Barry Cranston

2023 QAS WORKSHOPS

THE 2023 QAS Workshop Program is almost complete, and we will commence bookings for all workshops from 12 December 2022 (noting the John Wilson Workshop bookings opened in March 2022 and the Julie Ballis Portrait Workshop will initially be open only to last year's participants until 2 January 2023).

QAS is changing the booking system this year to streamline bookings and reduce the burden on the workshop coordinator and treasurer in accounting for attendance and payments. If you reserve a position in a workshop, you will need to pay the full amount for the workshop within three months before the workshop to secure your position. We will no longer be accepting deposits.

QAS is introducing a refund policy this year to recognise the costs incurred by QAS when members are unable to attend a booked workshop. If a member is unable to attend a booked workshop and provides sufficient notice to enable a replacement to be found, the member will receive a refund for the full amount paid minus a \$30 cancellation fee. If QAS is unable to find a replacement, a cancellation fee of 50% of the workshop fee will be charged. If there are exceptional circumstances, the member may apply to the executive to have the cancellation fees reviewed.

We have held the workshop fees at the 2022 level for all 2023 workshops. Note the fees below are members prices with non-members paying a surcharge of \$45 for each workshop.

23-24 March – John Wilson 2 day Oil painting Master class Workshop – Into the Light

Workshop Fee \$230 - This workshop is almost full

25-29 March – John Wilson 5 day Oil painting Masterclass Workshop – Into the Light

On Day 2 you will experiment with various journaling techniques as Amanda leads you through a series of exercises in your new journal.

20 May Maxine Sumner – Using Yupo Paper – Workshop Fee \$50. In this one day workshop Maxine will take you through the tips and tricks you need to know when using Yupo Paper with water colour and other mediums. You will mainly be working with water colour. The workshop fee includes the Yupo paper you will use in the workshop.

17-18 June – Ev Hales – Watercolour - Scrutinizing the limits of “Scapes” – Workshop Fee \$230. Ev Hales is coming to Queanbeyan Art Society for the first time to take you on a two day journey to create several watercolour “scape” masterpieces. Project completion**

WORK on the Queens Bridge will continue for another month with the completion of the bridge work planned for late April, weather pending. No work will occur from Friday 7 to Monday 10 of April during the Easter public holidays or on Tuesday 25 of April for ANZAC day. Delays in construction activities due to weather and additional maintenance work required on the underside of the bridge have slowed the process.
