### A RECORD SALE FOR SCULPTURE

2406055  
**Catherine - Standing Female Nude**  
 Sculpture/Nudes  
 Meaghan Arundell \$600

In June the gallery sold a bronze sculpture entitled 'Catherine - standing female nude', by **Meaghan Arundell** for **\$600**.

Meaghan has been interested in Art since High School where she studied ceramics and continued her interest in 3D works at Art School. She took a break from art to focus on other studies and start a family but is now trying to get back her focus on art.

Fascinated by the juxtaposition of realistic with the exaggerated as seen in her work 'Pleading - Sitting Female Nude with Giant Hands', she aims to focus on figures that discomfort the viewer, combining the aesthetic with the less pleasing.

Family commitments mean that it is not always possible for her to attend the Wednesday night sculpture /life drawing group, but she greatly appreciates the support of the group where ideas are shared, and art is discussed.

The Wednesday evening sculpture/life drawing group is very active. Each model sits in the same pose for four nights enabling extensive development of a drawing, painting or sculpture. The group meets from 6:30 until 9 and several members bring along dinner from 6 to socialise with the rest of the group.

**The next model starts on 3<sup>rd</sup> July. Cost for each night is \$15.**

Congratulation to Meaghan for her sale. Sales like this demonstrate both the level of talent of our members and the ability of the gallery to get people into the gallery buying art.

### TREE AND PAVERS SAVED

THE uneven paving was fixed by exposing it and making a garden.

Pavers removed from that area were used to make extra paved area at the back. Looks really good.

Thanks to QPRC who did the job for us.

Thanks **Peter Callander** QPRC Building Maintenance and **Sean Kaden** QPRC Parks and Gardens **Rosanna Burston**.

## PRESIDENT'S PALETTE

**W**ELL done to **Meaghan Arundell** for the sale of her lovely sculpture that sold for **\$600**. It is great to see the QAS Sculpture classes are going well and if you know of anyone who might like to join the class please **Rosaline Rimes-Reich 0452278583**.

Sorry for the July QAS Members Art Sales lack of paintings, I have had some trouble with receiving photos of the painting sales. I would remind members to keep an eye on page 12 of the monthly QAS Newsletter because we will be trying to make some changes to our program as soon as possible, If members would like to make suggestions to the committee on our monthly Exhibitions please contact **Kay Lenehan** the secretary. The recent **Molonglo Catchment Art Exhibition** was another success and it was pleasing to see so many members of this group make the effort to attend the opening. As usual **Karen Williams** did a wonderful job judging this Exhibition. Karen was unable to attend but **Gay Mouat** read her judging results.

Yours in Art,

# My visit to the Sunshine Coast Art Group

**By Roger Nixon**

**While visiting friends in Mooloolaba in June, I learned of the Sunshine Coast Art Group. Their painting group meets every Tuesday & Wednesday – 9am to 12.30pm.**

**So I visited them one Tuesday and was invited back the following day. A nice morning of painting with this friendly group ensued. Their group is very similar to our Gallery Painters.**

**They were not aware of the QAS, but don't be surprised if some pop in for a painting session when next in the Queanbeyan/ACT area. Here is a photo of the group, which was a small group that day as it was a bit chilly (for them. I was in shorts and T-shirt!).**

Their website is [sunshinecoastartgroup.com.au](http://sunshinecoastartgroup.com.au)

Further details of all workshops are described on the Humanitix platform. If you cannot access online bookings, you can meet the gallery sitters and they can assist you purchase a ticket.

**W**E all love a surprise with birthday presents and for my June birthday the family gave me a mug. I was so pleased with the family present as it had one of my paintings of the old Goulburn Court House printed around the mug. When I first painted the Court House I thought I guess plenty had painted the same subject so I found out when it was opened in the 1880's. This gave me the idea to use the **'Artist Licence'** and paint in front of the Court House the period costumes of the 1880's and suggested it was the Official Opening of the Goulburn Court House. Let me tell you it was all in the mind of the artist as the Official Opening was held inside the building! I painting this picture I would suggest getting some of your art works and put on mug and give them as a family and friends gift!
