KAY'S CALL

Alarm system and Locking Doors

There have been several instances when the Security firm have contacted committee members to advise that the alarm hasn't been set. If you are the last person to leave the gallery, please make sure that the alarm is set and that both doors are locked. Often the lock on the wooden door is on the snib, please release this so that the door can lock properly.

Do you want to run or attend an Afternoon workgroup?

We are interested in identifying if there is interest in running and/or attending afternoon workgroups. Running a group involves taking responsibility for collecting the attendance list and \$3. Unlocking and locking up when the group has finished and recording any sales on the Square. Training in all the above will be provided.

Afternoon workgroups could run any afternoon except Monday as that is when the gallery is used for Life Drawing.

If you are interested please contact **Kay Lenehan on 0427211772.**

QAS 2025 Workshop Program

We have sold out both **Colley Whisson Workshops** in June and have waiting lists of 7 for one workshop and 6 for the other, plus I have several other requests I have not processed.

Colley can fit in a two day workshop prior to the current scheduled workshops.

This will bring extra income to QAS, satisfy more members and bring us some new members.

Are we prepared to shut the gallery for two more days to allow this extra workshop to proceed? If so I will contact the waitlisted people and see if they would attend on those dates. If so I will then book the workshops.

Warm regards
Andrew

QAS Workshops

The Queanbeyan Art Society (QAS) workshop program for 2025 starts next month (February) with two fabulous pastel workshops with tutor Stephie Clark. Stephie is one of our best tutors, very generous with her time, sharing her knowledge and techniques and also with sharing her own pastels. This year she is back with two workshops: "Monet Gardens" 15-16 February and "Australian Bush Flowers" 18-19 February. Both workshops have a few vacancies. Julie Ballis is running her two half day portrait workshop on 8 and 9 March. Julie will step you through the process of painting a portrait in any medium. Great for beginners with some painting skills in the medium they choose but also for advanced students. We have quite a few vacancies for this workshop. Also in March we have a new tutor to QAS, Catherine Hamilton. Catherine is a dynamic and well regarded tutor, and she is running two workshops Mixed Media 2 day workshop on 14-15 March and Creative Pastel 2 day workshop on 16-17 March. Both workshops will be exciting and will allow you to express yourself in an environment that encourages you to experiment and take risks. All bookings can be made on the Humanitix.com ticketing service. Search for tickets by art tutors name or by using Queanbeyan Art Society in the search.

Once you have found the workshop you want to attend, click on the "Get Tickets" button and enter the required information and then make the payment. You will get instant feedback on your success.
